Personal Infos:

Coming from a mathematics & classical programming (C++, java, etc.) background, I've always been interesting in graphic design, interactive media & sound creation, focussing my studies on a more print & multimedia approach.

During the last 6 years, I've been working with flash, starting to level zero in actionscript 1 to now working in full object-oriented programming actionscript 3, and working hard to perform in graphic design & multimedia in general through illustrations, websites & cd-roms as well as animations & videos.

More Personal Infos:

+ I've worked with: Stink Digital, B-Reel, Stereo, Bloc Media, Unit 9, Hi-Res!, The Digital Club, Reactive, Pixel Group, Publicreative, Good Technology, Fullsix (Six & Co.), A Fish In Sea, Les Tanukis...

+ I've worked for: Playstation, Weetabix, British Airways Media, Carphone Warehouse, Audi, British Heart Foundation, Microsoft, CBBC (Children BBC), MTV, London Zoo, Daily Telegraph, Premier Inn, Herbal Essences, P&G Tesco, Musicsmart, Tourism Ireland...

+ I know personally: Adobe Suite CS (all version), Mac OS & Windows,...

+ I'm fluent in: Actionscript 2 & 3 (including Papervision, PureMVC, etc.), PHP, XML, html, css, javascript

+ I do: Object Oriented Programming, Design Patterns, print & web design, illustrations, photographs...

Skills:

- + Good background knowledge of graphic design, typography & animation.
- + Both print & web orientated.
- + Able to take photographs & doing illustrations.
- + Good problem solving.
- + Write clean & commented code.
- + Windows & Mac OS user-friendly, I've got lots of experience with both.

Programming & Softwares:

Object-oriented programming: PHP, AS2 & AS3 (including Papervision).

Others: Sql, Javascript (Ajax), CSS, HTML, XML.

Eclipse, Flash, SVN, Photoshop, Illustrator, InDesign, Premiere, After Effects, lots of software that edit html, php, css, xml... SketchUp, 3dsMax, Cubase & VST.

Education:

2005 - 2006 // Second year of Master of Art in multimedia and computer graphics including professional experience - University Lyon 2.

2004 - 2005 // First year of Master of Art in multimedia and computer graphics including professional experience - University Lyon 2.

2002 - 2003 // Equivalent to a professionn BA in Communication and multimedia including professional experience - University Grenoble 2.

2000 - 2002 // Diploma of higher education in Mathematics, Computer Sciences & Psychology - University Grenoble 2.

1998 - 1999 // Level scientific option mathematics - Valence Barthelemy De Laffemas.

Languages:

French: native language.

English: live in London since 2006.

Italian: good skills, both written & oral.

Spanish: badly try to say some words, time spent in South America.

Activities & Interests:

Music: used to organise concerts, exposures and a world music festival named «Rencontres Entre Les Mondes» (1 week per year for 4 years). Play electric bass and record a LP with a rock band call «Lilith» in 2003. Now play in a punk/blues/rock band as well as working on personal productions.

Travel: Peru, Chile, Bolivia, U.S.A., Mexico, Italia... England of course.

Sport: hockey on asphalt, tennis.

Love 70's music and listenning to vinyls, read french comic books & U.S. graphic novels.
